

Multi-view rendering of the 3D model

Six standard reference views (orthographic) followed by four 3/4 perspectives covering both forward and rearward corners on the inboard and outboard sides. Orthographic views are scale-true (1 mm on the model = 0.42 mm on the page); the 3/4 views are perspective references — do not scale.

Lateral (Outboard)

Outer side of the shoe.

Medial (Inboard)

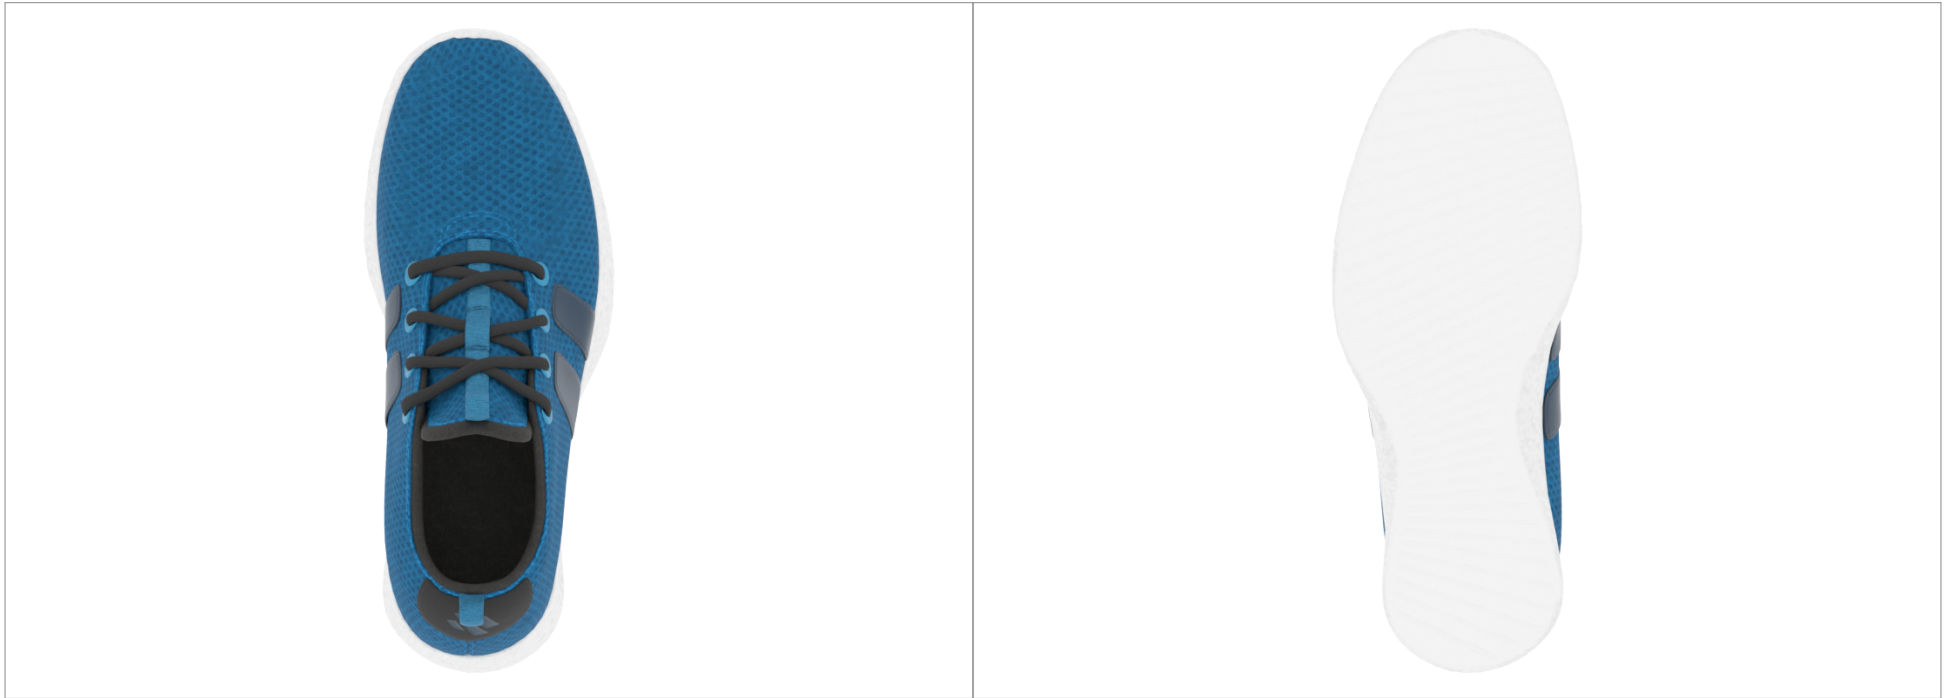

Inner side of the shoe (against the foot).

**Front (Toe-on)**

Looking toward the toe box.

Back (Heel-on)

Looking at the heel counter.

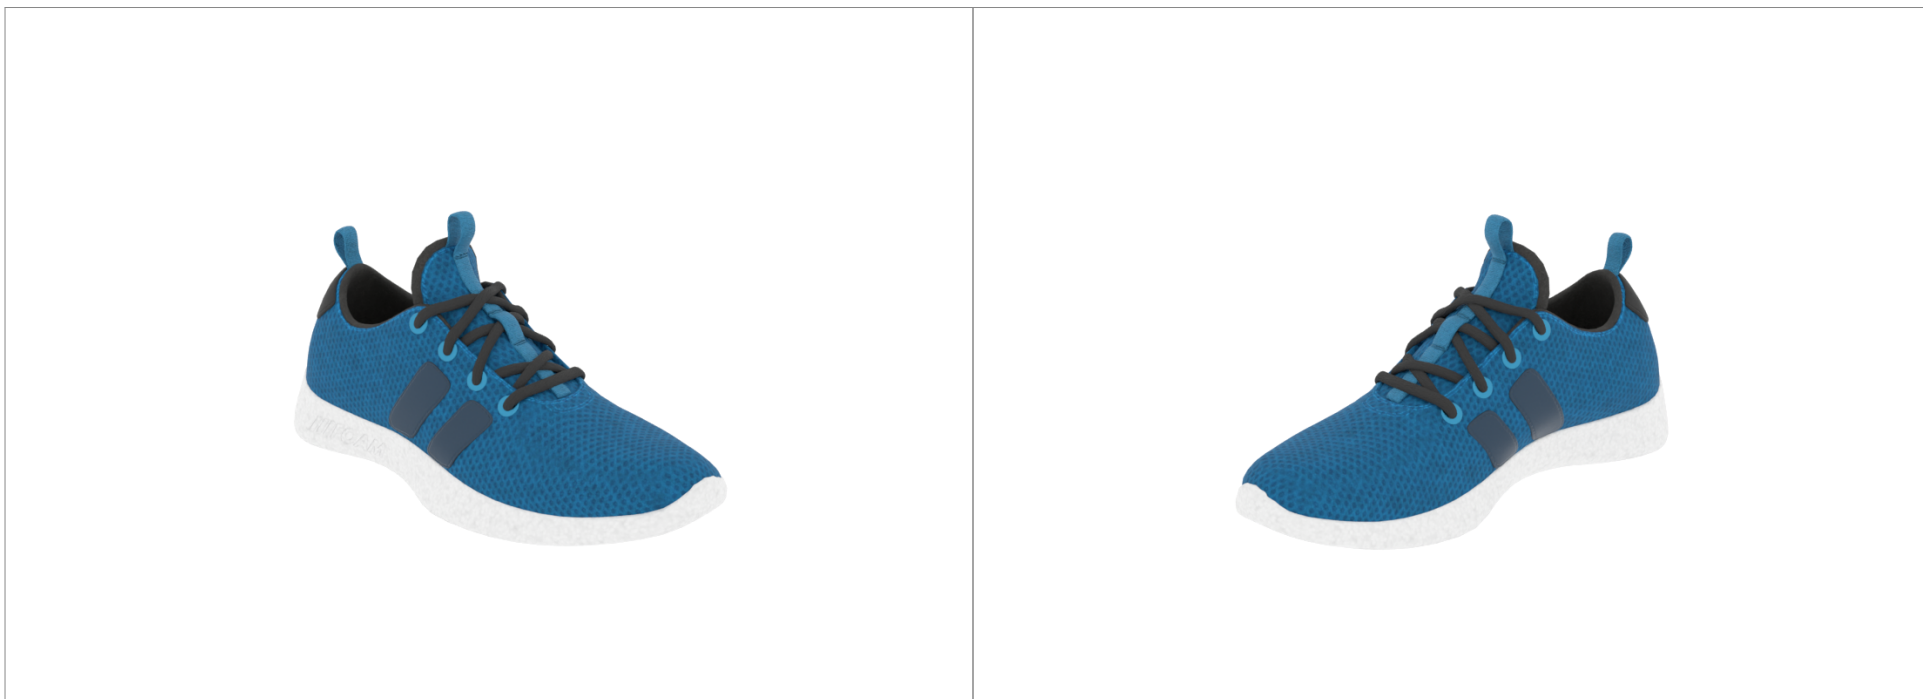

**Top (Plan)**

Looking down on the upper.

Bottom (Outsole)

Outsole tread pattern.

Additional perspectives — 3/4 angles

3/4 Lateral-Front

Standard product hero angle.

3/4 Medial-Front

Medial three-quarter perspective.

**3/4 Lateral-Back**

Lateral-back three-quarter perspective.

**3/4 Medial-Back**

Medial-back three-quarter perspective.
